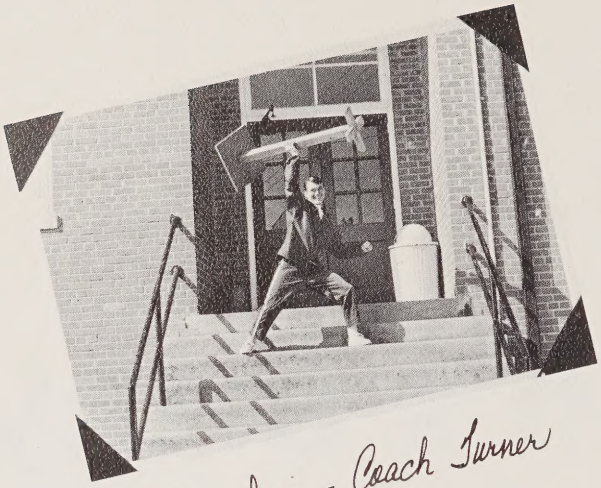
demon's diary

DEEP RIVER SCHOOL

ROUTE 5, SANFORD, N.C.

Dear Diary,

Long, hectic hours spent slaving over a typewriter, sorting pictures in alphabetical order, selling ads and annuals, and proofreading pages and pages of copy compose the life of an annual staff member. With all this hard work comes many advantages, such as being able to see our Demon's Diary take shape before our eyes and getting a sneak preview of the pictures and layout. This year we tried to capture all the happenings in diary form. Our main purpose was to capture between the covers of this book, in pictures and words, everything from the small happenings to the big events which made up this special year, 1968-1969.



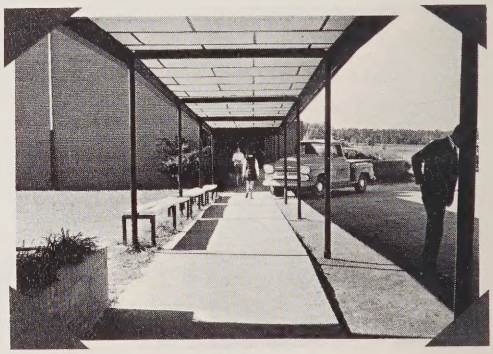
Our hero – Coach Turner

School spirit at its peak

Our spring musical

The romance of "Southern Enchantment"

Carefree elementary days



Where did everybody go?

"Away down South in Dixie"

The jungle-gym set

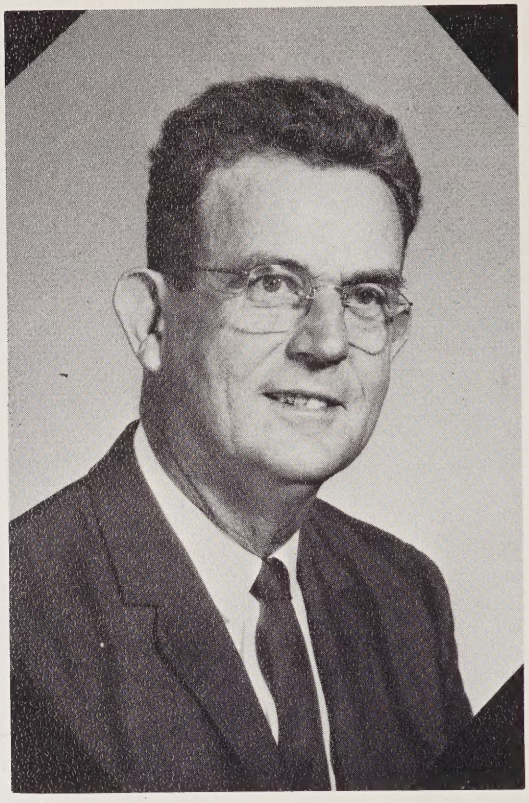
Setting the mood with music

Will the real "Wild Rose" please step up?

Learning for tomorrow

What's the matter, ma?

Dedication



Dear Diary,

Today I met a man who really influenced my life. After spending just one day at D. R. H. S. with this man, I found out that he is an outstanding person. He is intelligent, honorable, and trustworthy.

Some of the students told me that they would never forget the theorems, proofs, and equations, especially $a^2 + b^2 = c^2$, which he has taught them.

It came as no shock to me, a passerby, that the annual staff of 1969 dedicated this issue of the "Demon's Diary" to him.

Mr. Rogers, we salute you!

Administration

Senior Class 1969:

Many minutes, hours, days, months and years of your life have been spent in pursuit of the diploma which you will receive this year.

The hopes and dreams of many people plus untold thousands of dollars have been involved in society's efforts to help prepare you for your life beyond high school.

You owe a debt to your parents and to society. It can never be fully paid in any way other than by doing your best and helping others to have better opportunities than you have had.

One way to assure your life will be successful is to strive to have the highest motives. It is best said in the following poem:

Some day they'll ask about you, son,
If you have done your part;
How worthy was the work you did,
How noble was your heart.

It's not the work you're driven to,
That makes you more than dust;
It's "Did You serve your fellow man-
Prove faithful to your trust?"

Senior Superlatives

Because of their willingness to do things and their ability to get it done, the Senior Class of 1969 was chosen as "Most Likely to Succeed".

Outstanding scholastic achievements led Linda West and Gerald Womble to the honor of "Einstein '69."

Our "Greatest" seniors, Marty Luck and William Atkins outshine the others in their greatness and style of dress.

Neat appearance and attractiveness led us to choose Gayle Walls and Jerry Campbell as "Mr. and Miss Senior Class".

Superlatives

Bestowed with an abundance of ability, Debra Wicker and Scott Rogers are the "Most Talented" in the Class of '69.

Willa Wicker and Jerry Bridges can always be depended upon to "live up to their work". They were elected "Most Dependable" by the Senior class.

Displaying enthusiasm in numerous school activities JoAnn McDuffie and Randy Cotton possess "Best School Spirit".

Good natured and friendly, Gail McNeill and Jack Marks were chosen for "Personality Plus".

Superlatives

Because they possess ample athletic ability and willingly use it to bring honor to W. R. H. S., Bonnie Bragson and Jimmy Sprouse were recognized as "Most Athletic".

Wittiest was awarded to Wanda Dunnery and Jimmy Wicker for their humorous remarks and their fun loving natures.

Prophecy

The date is May 30th, 1979. Today I think I'll get in touch with my classmates and see what they're doing. Just switch on my computerized visual sensorer and that's all there is to it.

There's Willa Wicker, a nurse at Chapel Hill. I see that she chased the interns until she finally caught one. And there's Bonnie Gregson at Rex Hospital, a nurse and mother to three of her seven hoped-for boys. And still another nurse–Sarah French is working at Mercy Hospital. She's married and the mother of two boys. Well, it looks like Gail McNeill has finally given up riding around Hardees and is working as a psychiatrist in Rome. Wanda Nunnery is living in Southern Pines and working on her R.N. degree at Sandhills. I think this is wonderful. It looks like our class has really turned out a great medical staff.

Now I think I'll take a look at the business world. Five of our girls are first-rate secretaries. Pat Harrington is private secretary to the President of General Motors. She is also the mother of two children. Lou Wicker was a secretary until she married her boss. Now she manages their family of five children. They're hoping for two more. Janet Douglas, a secretary, is single and living with her maiden aunt in Redwood City, California. Helen Covington is a secretary for Southern Bell Telephone Company. Well I should have known-Jo Ann McDuffie is wife and private secretary to the owner of Hearn's Trucking Company. She's also mother of their set of twins.

And what Business men? Randy Cotton is the owner-manager of his own Florist shop. He is in charge of decorating the White House on special occasions. Jerry Bridges has a successful business of his own and his wife and children are doing fine. Gerald Womble is an architect in Nevada. He spends his spare time on his horse ranch, roping in horses and girls. William Atkins owns a successful business, making quite alot of money. He is married and has two children. Jimmy Wilder is owner of a large cattle ranch. He has two fine children. Don Hart is a great mechanic in his own shop and Pat stays home with the children. Jerry Campbell is now a partner with Randy Bridges in a fine clothing store in New York. He's single and having a ball in his bachelor apartment.

Now what about entertainment? It looks like our class is doing pretty well in that department. Sammy Gillis owns a chain of psychedelic nightclubs, and is doing very well. Jack Marks now owns a chain at Radio Stations across the nation. He has already retired at the age of 27 and spends most of his time with his wife and children. Jimmy Wicker is still single and the idol of millions of teenagers. He is in Hollywood and his latest record was another success. John Earl Jackson is now a famous songwriter living in Cleveland, Ohio. He has recently wrote a new hit song.

It looks like our class is pretty well covering the airways, too. Terry Blalock is an active airline stewardess for T.W.A. She flies only on stop-over flight to such countries as Rome and Spain. Hazel Trapp is an airline hostess working for United Airlines. They now allow their hostesses to be married and she is the mother of two children. Gary Perkins is now head pilot for one of the major airlines. He is really enjoying his job.

It looks like we've got some interests in the sports' department, too. Donald Moore is now married to Margaret and has two children. He is playing pro ball for the New York Yankees. He has broken Babe Ruth's record for home runs. Jimmy Sprouse is now playing pro basketball for the Philadelphia 76'ers. He is happily married and has 2 kids playing ball for dear 'ole D.R. Bruce Denkins is now sports editor for the New York Yankees and is head commentator on N.B.C.'s game of the week. Nelson Hall is constantly flocked by women, by winning the title of Mr. America.

Nancy Beal is now married to Harvey and is the proud mother of twins. Susan Partridge has a happy home and a wonderful husband, and is still as lovely as ever.

At least we have a few teachers in the group. Scott Rogers is a physical education teacher in a small country school. He is still available and as good-looking as ever. Gayle Walls is a history teacher in New York. She is also still single. Linda West achieved her goal. She is now a professor of English literature at Harvard University. She is married to the Dean of Men, and is the mother of four children.

And Marty had made it big. She is a fashion designer with Christian Dior. She is still single and very attractive. Marty has some very interesting clients.

And there's Mike Ward. He's single and a graduate of U.N.C. He is a reserve officer in the U.S. Navy.

Well, I guess I'd better get back to my own work. Teacher caller says that Debra Wicker is needed in the classroom, and that's me.

JUNIORS

The Juniors lead an active and strenuous school life. At the close of each day, there were bad cases of twisted tongues, tierd brains, and finger fatigue. All these precious memories were just a part of future Seniors.

Freshmen

The Freshmen this year have had many unforgettable events come their way. Their only regret is that one of their classmates, Mike Hart, hasn't been here to share these times with them. Mike's friendly ways and warm personality are missed more than words can ever tell. We all look forward to the day when we'll meet Mike, never to be parted again.

In Memoriam

Dear Diary,

Our year was saddened by the tragic death of our beloved friend and classmate. His pleasing personality and zest for life will make his loss an irreplaceable one. He never made an enemy nor lost any friend.

It is for these reasons and so many more that we close our annual for the year 1968-1969-

In Memory of
James Braxton Wicker
May 4 1951-February 6, 1969
Son of Mr. & Mrs. H.B. Wicker
